These activities include, but are not limited to, the use of discriminatory language, slurs, or forms of hate speech, whether on the grounds of the pool, at swim team events at other locations, or through the use of the internet and social media.

Larkey is a club with a diversity of outlook and opinions among its members. We are united by our values of Fun & Fitness, Community, Diversity, and Dignity & Respect. Even if we disagree with one another on issues of politics or the events of the

day, we must always agree to abide by these values and treat each other in a respectful manner.

ANTI-BULLYING POLICY

We are committed to providing a caring, friendly and safe environment for all our members so they can swim in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at Larkey Swim Club & Larkey Sharks Swim Team. We have a ZERO TOLERANCE policy on bullying. Anyone who knows that bullying is happening is expected to tell a member of the coaching staff or a board member. Larkey will support members, swimmers, parents, and employees when bullying is reported, and is committed to dealing with all incidents of bullying promptly and effectively.

What is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim. Bullying can be:

- **Emotional:** being unfriendly towards another, excluding someone (emotionally and physically), sending hurtful messages on social media, tormenting another (e.g. hiding goggles / floats).
- **Cyber:** include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.
- **Physical:** pushing, kicking, hitting, punching or any other use of violence.
- **Racist:** using racial taunts, graffiti, gestures.
- **Sexual Orientation Bias:** behavior focusing on the issue of sexuality
- **Sexual:** unwanted physical contact or sexually abusive comments.
- **Verbal:** name-calling, sarcasm, spreading rumors, teasing.

Why is it Important to Respond to Bullying?

Bullying hurts. No-one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Swimmers, coaches, parents, or anyone else involved with Larkey, who are engaging in bullying need to learn to behave differently or they will no longer be welcome at the club.

How Will Reports of Bullying be Managed?

Any report of bullying behavior will be managed, with due regard to the sensitivities of the situation, by the Swim Team Board and/or the Larkey Private Swim Club Board.

REPORTING VIOLATIONS OF THE CODE-OF-CONDUCT / LARKEY OMBUDSMAN GROUP

If members witness or suspect that a violation of the Larkey code-of-conduct has occurred, there are several paths to reporting the incident to the Board. The contact information for all Board members is published on our website, www.larkey.org, and members are welcome to reach out with concerns.

Larkey Ombudsman Group

Sometimes, members may want a more confidential avenue to address concerns about violations of the Code. There is a group established to confidentially address such issues: the Larkey Ombudsman Group. In the event that a member wants to alert the Board to what they feel is a violation of the Larkey Code-of-Conduct, they can approach the following:

- **Amy Mason**
Larkey Pool Manager
925-876-3390
- **Christopher Lane**
Larkey Board Vice President
925-324-8685
- **Siggy Pohl**
Ombudsman Member-At-Large
415-200-6814

These individuals can ensure that any concerns are immediately brought to the required members of the Larkey Board to address.

DISCIPLINARY MEASURES

1. Each member is responsible for becoming familiar with the written discipline policy and the procedures for enforcing the same.
2. The Lifeguard, Pool Manager or a Board member may deny use of the Club facilities of said offender for one day if misconduct occurs.

3. Serious or repeated misconduct or violations of these general rules may result in temporary suspension of Club privileges pursuant to a hearing before the Board. In severe cases a member may lose their membership in accordance with current club bylaws.
4. Suspension in excess of two weeks, or revocation of membership is a possible consequence of misconduct or violation of these general rules, voted on and passed by two-thirds of the board attending the hearing.

DISCIPLINE POLICY

Minor Infractions (running around pool, jumping off side of diving board, etc.):

1. After due warning, the person may be benched by a lifeguard or Pool Board Member for 15 minutes. Alternative action may include picking up litter around pool area, sweeping pool deck, or other similar chores as needed.
2. A second minor infraction of any sort on the same day results in being discharged from the pool enclosure for the day, the individual's name being submitted via email to the Pool Manager and/or Board VP to advise of the infractions. A warning will be given via email concerning consequences of continued misconduct. If the offender is a minor, the parents will be notified.
3. After a member has been benched three times in one week, the parents will be contacted and will be required to accompany the child to the pool for two weeks.
4. Continued disregard for rules will be considered as a major infraction.

Major Infractions (bullying, fighting, destruction of property, etc.):

1. The person is discharged from the pool enclosure for the day and is suspended until there is a conference between the individual, the parents, and the Pool Manager. An email note to the parents or follow up phone calls may be made by the Pool Manager.
2. The Pool Manager can, with Board approval, suspend an individual from the pool enclosure for a period of two weeks. Beyond that, the issue becomes one of possible relinquishment of the

family membership which would require a vote of the general membership showing two thirds (of those responding) in favor.

DISCIPLINE ENFORCEMENT

1. The Pool Manager has overall responsibility and instructs the Lifeguards on enforcing this policy. The Lifeguards will directly handle incidents of misconduct.
2. Incidents which the Lifeguard does not or cannot observe should be brought to the attention of the Pool Manager, a member of the Ombudsman Group, or any other Board member as soon as possible. Any member who observed the incident and an incident report must be filled out with the required information, signed and dated, then upon completion, given to the Pool Manager who will read it and give it to a Board member for review by the Board. Also, information on the incident can be sent to any member of the Larkey Board via email, who will follow-up upon receipt.
3. The Gatekeeper should contact the Pool Manager if necessary.
